

Abdomen Limited/RUQ - Image Protocol

1. Transverse Pancreas Superior
2. Transverse Pancreas Inferior
3. Transverse Pancreas Tail
4. Longitudinal Pancreas with SMV
5. Common Bile Duct with measurement
6. Common Bile Duct with Color Doppler
7. Long Liver Left Lobe
8. Long Liver Left Lobe and Aorta
9. Long Liver Midline with IVC
10. Long Liver Midclavicular line with Length measurement
11. Long Liver Right Lobe with Kidney
12. Transverse Liver Left Lobe with HV
13. Transverse Liver Left Lobe with LPV
14. Transverse Liver Right Lobe with HV
15. Transverse Right Lobe with RPV
16. Transverse Right Lobe with Kidney and GB
17. Long GB neck
18. Long GB fundus
19. Transverse GB neck
20. Transverse GB body
21. Transverse GB fundus
22. Long Right Kidney
23. Long Right Kidney with Length measurement
24. Long Right Kidney Medial
25. Long Right Kidney Lateral
26. Transverse Right Kidney Upper Pole
27. Transverse Right Kidney Mid Pole
28. Transverse Right Kidney Mid Pole with AP and cortex measurements
29. Transverse Right Kidney Lower Pole
30. Long GB neck and fundus LLD position
31. Transverse GB neck LLD position
32. Transverse GB body LLD position
